Key Questions to Close the Sale

Purpose:

Asking the right questions helps uncover customer needs, identify pain points, and position our services as the best solution boosting your chances of closing the sale.

Include These Questions in Every Conversation:

- **Who is your current provider?**
- **What speed are you currently getting?**
- **How much are you paying per month?**
- **How many devices are connected at home?**
- **Do you stream videos, play online games, or work from home?**

Tip:

Listen actively and take notes these answers guide your pitch!
